## About My Self

### Career Objective

To contribute to an organization with my Technical and Analytical skill in the process of growth and thereby learning to each step.

### About me

Aspire to do justice to my work. I believe that honest efforts for doing a work never get wasted. My strength lies in my perseverance and inter-personal skills that contribute in all possible ways to achieve the goal.

### Aim of Life

To balance my personal and professional life and also become successful in whatever field I work more-over I want to become a part of Epic Games as a Game Designer.
